MEMORANDUM FROM THE DESK OF MADAM CLERK, JANICE MORRIS

RE: Passport Applications during Covid-19. (Immediate Release)

Date: February 16, 2021

As we continue to work our way through a global pandemic, and so many Americans eager to resume international travel, we want you to be mindful of the restrictions implemented around the world and in the United States. With the Rockdale County Clerk of Courts Office being a gateway to the passport application process, we would like to provide you with some insightful information for those planning to visit our office soon.

According to the Center for Disease Control and Prevention, the latest travel requirements state that “all air passengers coming to the United States, including U.S. citizens, are required to have a negative COVID-19 test result or documentation of recovery from COVID-19 before they board a flight to the United States” (CDC, 2021). This means you need to ensure you locate a medical facility prior to leaving the United States that can perform adequate testing before your return to the U.S. It is imperative that all passport holders understand the guidelines set forth before submitting your application and traveling internationally for your own safety.

The Clerk of Courts Office encourages you to visit the CDC’s website and other recommended travel news pages for up to date information provided by travel experts before booking your future getaways. Safety is priority at the Rockdale County Clerk of Superior and State Courts. Therefore, it is our civic duty to keep each citizen and visitor of the courts informed regarding international travel matters as you apply for your U.S. passport. If you have any questions, please visit our website at www.rockdaleclerk.com for more information or contact our Passport Clerk at 770-278-7918.

Sincerely,

Janice Morris, CSC
